

FORENSIC APPLICATIONS CONSULTING TECHNOLOGIES, INC.

The following table is a partial list that details the civil clandestine drug laboratory experience of Mr. Caoimhín P. Connell, Forensic Industrial Hygienist, with Forensic Applications Consulting Technologies, Inc. The table does not include any of Mr. Connell's Law Enforcement activities in detecting, raiding, evidence collection or criminal assessment of illegal drug laboratories. Names and addresses will appear on this list, only where disclosure is permitted by consent or the information is in the Public Domain as a public record. A partial list of compliance status of specific properties can be found [here](#).

Blue lettering indicates a link to a public domain document.
